Subject of Review:	<u>Evaluation / Assessment of the managing guidelines for park and wilderness stewardship.</u>	
Purpose of Report:	<u>This review takes a look at the fundamental guidelines for park and wilderness management and challenges the management objective of maintaining naturalness. This work advocates a pluralistic approach to management of park and wilderness areas which includes management for a suite of principles such as historical fidelity, autonomy of nature, ecological integrity, and resilience. This review could have an influence on how questions related to park and wilderness areas are addressed in the future and guide future policy decisions.</u>
